MEMORANDUM THRU Commander, 143D INFANTRY DET (LRS),
AUSTIN, TX 78763-5218

FOR CW4 DONOVAN JOHN TERENCE, 999-99-9999,
2313 VILLAGE CIRCLE, AUSTIN, TX 78745

SUBJECT: Notification of Eligibility for Retired Pay at Age 60 (Twenty Year Letter)

1. This is to notify you that, having completed the required years of service, you will be eligible for retired pay upon application at age 60 in accordance with provisions of the Title 10, U.S. Code, Chapter 1223. Your eligibility for retired pay may not be denied or revoked on the basis of any error, miscalculation, misinformation, or administrative determination of years of creditable service performed unless it resulted directly from fraud of misrepresentation on your part. However, the number of years of creditable service in which retired pay is computed may be adjusted to correct any error, miscalculation, misinformation, or administrative determination. When such correction is made you will be eligible for retired pay according to the number of years of creditable service, as corrected, from the date retired pay is granted.

2. You will not be entitled to retired pay under Title 10, U.S. Code, Section 12731 if you are now or later become entitled to retired pay from an armed force under any other provision of law or to retainer pay as a member of the Fleet Reserve or Fleet Marine Corps Reserve.

3. Public Law 95-397, 30 September 1978, created the Reserve Components Survivor Benefit Plan (RCSBP), in which you are entitled to participate. RCSBP is your sole means of protecting your retired pay entitlement. NOTE: Public Law 106-398, 30 October 2000, requires that upon receipt of this Letter, a qualified Reserved Component member, who is married, will automatically be enrolled in the RCSBP under option C, Spouse and Child(ren) coverage based on Full Retired Pay, UNLESS different coverage is selected within 90 days of receipt of this letter. Written spousal concurrence is required in order to decline full and immediate coverage for annuitants. **FAILURE TO MEET THIS REQUIREMENT WILL RESULT IN THE RETENTION OF FULL COVERAGE FOR YOUR SPOUSE AND CHILD(REN).** If you elect to remain covered under the automatic provision of the Law you must provide this Command written correspondence (the enclosed DD Form 1883 is required) stating who you have designated as annuitant(s). The cost for this participation will commence upon your receipt of retired pay at age 60. Detailed information concerning RCSBP program and cost is enclosed.
